1. ▶ In this section enter the necessary filters to perform your search.
2. ▶ In this section, it will show the information of the AWB stock that you want to check in detail.

The screenshot shows the CROAMIS Stock Enquiry (STK004) search interface. The search filters are highlighted with a red box and labeled '1.' with a red arrow. The filters include:

- Document:** Category (All), Prfx, Type (All), Sub Type (All), Document, STATUS (All).
- Holder:** Cycle (2018), Current Holder (A1047-US-MIA-MIA), Used By, Not Used Days (Age).

Below the filters is a table with the following columns: Category, Type, Sub Type, Prfx, Num, Check Digit, STATUS, Age, Current Holder, Current Parent, Used By, Remarks. The table is currently empty.

At the bottom right, there are three buttons: View StockRange, Action (with a gear icon), and Cancel. A red arrow points from the View StockRange button to a larger callout box showing the button details:

1. ▶

2. ▶ Stock

You will see the following information:

- ***Category:** document category, by default Neut.
- ***Type:** type of document, it is always MAWB.
- ***Sub Type:** document subtype, by default it is Nor.
- ***Prfx:** document prefix.
- ***Num:** AWB number.
- ***Status:** document status.
- ***Age:** number of days that the stock status remained unused (Un Used).
- ***Current Holder:** code of the customer that currently has the stock.
- ***Current Parent:** LATAM Internal code.
- ***Used By:** code of the client that is using the stock.
- ***Remarks:** shows the additional comments of the user, if they exist.

The screenshot displays the CROAMIS Stock & CSP interface. At the top, there is a navigation bar with the CROAMIS logo and user information. Below this, a breadcrumb trail shows the current location: Stock & CSP > Stock > Stock Enquiry (STK004). A search bar is present, followed by two filter sections: 'Document' and 'Holder'. The 'Document' section includes filters for Category, Prfx, Type, Sub Type, Document, and STATUS. The 'Holder' section includes filters for Cycle, Current Holder, Used By, and Not Used Days (Age). Below the filters is a 'Go' button and a 'Clear' button. The main area contains a table with the following columns: Category, Type, Sub Type, Prfx, Num, Check Digit, STATUS, Age, Current Holder, Current Parent, Used By, and Remarks. The table is currently empty. At the bottom of the interface, there is a footer with the text 'STAGING_ENV 0.4.1.0 | Copyright © 2020 Wipro Ltd. All Rights Reserved.' and a set of action buttons: '1. View StockRange', 'Action', and 'Cancel'. A red arrow points from the 'View StockRange' button to a callout box.

View StockRange

1. ▶ View Stock Range:

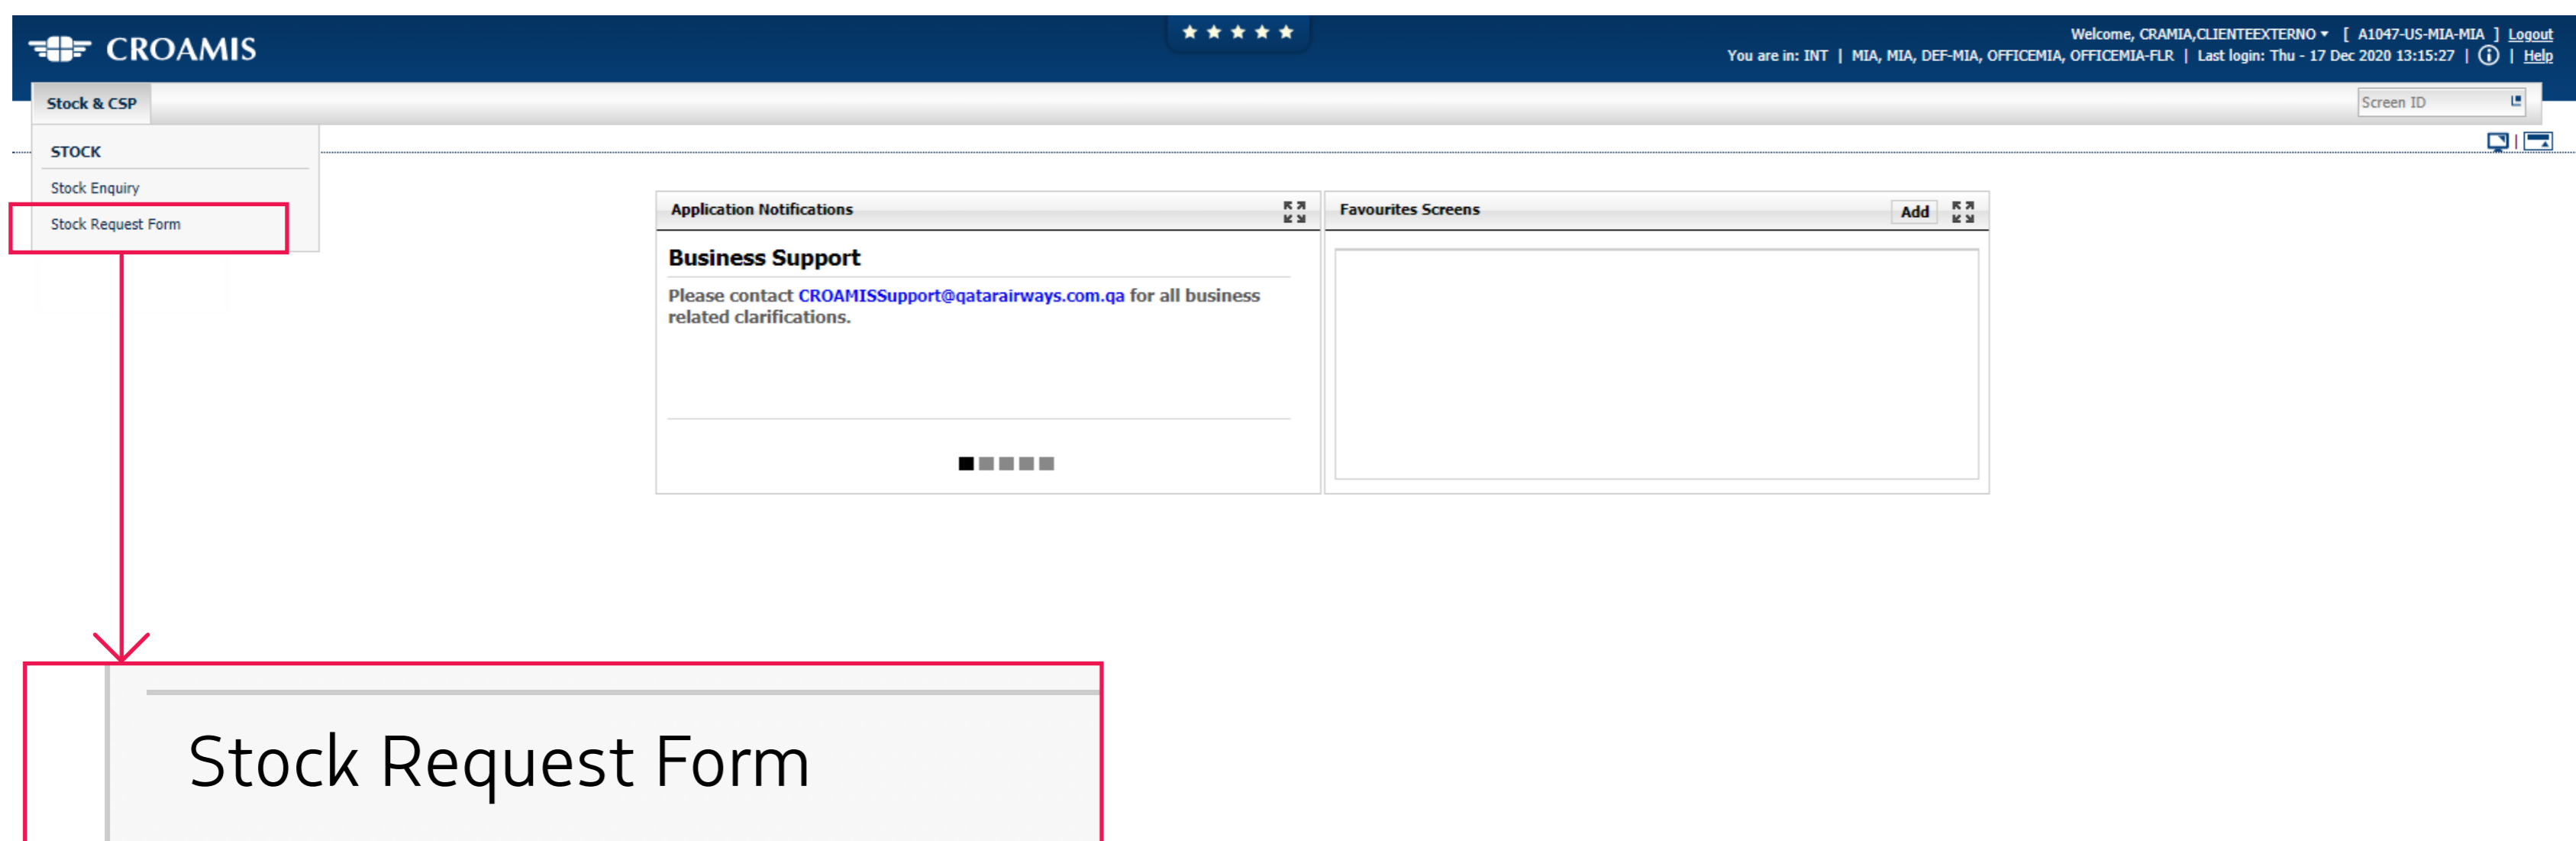

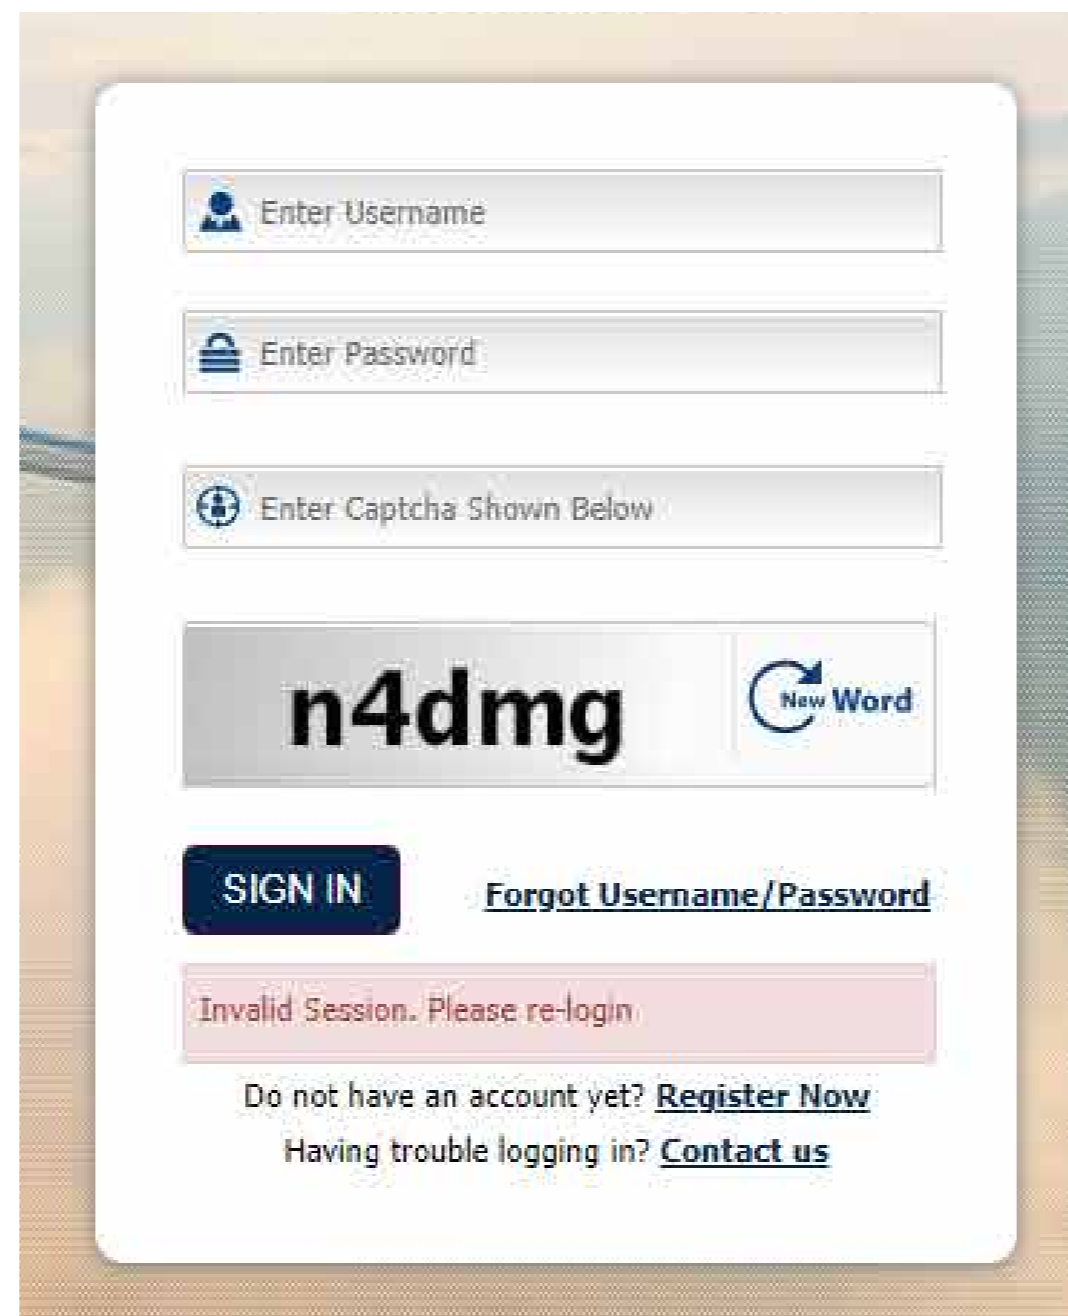

This action allows you to view the stock range details for the selected stock.

STOCK REQUEST FORM

Through this tool you can request a **stock of AWBs** and view the status of these requests for your shipments with **LATAM Cargo**.

Enter your **Username** and **Password**, go to the **Stock & CSP** section and click on **Stock Request Form**.

To request a **stock of AWBs** you must press the **Add** button. The "**CSP Branch**" and "**Name**" fields are automatically filled in.

You are here: Stock & CSP > Stock > Stock Request Form (STK006) *Indicates required field
